Verse 1

G
I remember when our time was always spent
C **G**
Dreaming of tomorrow, the way that it would be

We all had our hopes, we all made our plans

Somewhere along the way we lost all clarity Nobody meant to change
D **G**
We never thought weâ€™d end up this far way

CHORUS

G **Am** **Bm**
Bring me back to the innocence of You
G **Am** **Bm**
Bring me back to the first love I ever knew
Am7
Back to the way that it was when I was young
D **Am** **G**
Iâ€™m tired of the mess that Iâ€™ve become I want to see the world the way You
do
G
So bring me back to You

Verse 2

G **D**
And as the days go by, I wish I could stop time
C **G**
Cause my little boy and girl, their eyes are on the world
D
And what theyâ€™ve yet to learn, and what theyâ€™ve yet to see
C
Are the very things that jaded me and left me empty
D **C** **D** **C**
I never meant to change I never meant to stray so far away

Repeat CHORUS

Bridge

Open my eyes Lord and help me to see the plans that you have for me

Open my heart, fill it up, fill it up, And hold me, Lord hold me
