Building 429 - Right Beside You

Capo 1st fret!

[Intro]

||: **F#m D A E** :||

[Verse]

F#m D
I ve seen it and felt it
A E
Hopelessness with no lifeline
F#m D
The wicked are feeding
A E
On innocence and our decline

F#m D A
You and I we are the same
E F#m
Torn apart by different things
D A
All our faith is barely alive
E D
But we re going to make it through the night
F#m E
I want you to know

[Chorus]

F#m D
When the world is on your back
A
And you think that you will never last
E
When you re lonely and you are confused
F#m
I ll be right beside you
D
When the walls are closing in

A

And you think you'd rather sink than swim

E

When you think there's nothing left for you to lose

F#m D

I'll be right beside you

A E

I'll be with you

[Verse]

F#m D

We are precious

A E F#m

More than priceless is our worth

D

Loved by the Father

A E F#m

Heaven's children here on earth

D

A

You and I we are the same

E

F#m

Lifted up above the pain

D

A

By its wounds we have been healed

E

D

And in our love it is revealed

F#m

E

I want you to know (I need you to know)

[Chorus]

F#m D

When the world is on your back

A

And you think that you will never last

E

When you're lonely and you are confused

F#m

I'll be right beside you

D

When the walls are closing in

A

And you think you'd rather sink than swim

E

When you think there's nothing left for you to lose

F#m

I'll be right beside you

[Bridge]

E F#m D A

Hold on, don't you let go of me

D A

I'll be here through it all

E F#m D A

Hold on, when you're ready to fall

D

I will carry you

A

I will never leave you

D E

I will lift you if you fall

[Chorus]

F#m D

When the world is on your back

A

And you think that you will never last

E

When you're lonely and you are confused

F#m

I'll be right beside you

D

When the walls are closing in

A

And you think you'd rather sink than swim

E

When you think there's nothing left for you to lose

F#m D A E

I'll be right beside you
