

**The Same God**  
**Building 429**

[Intro]

[B | | ]

[Verse 1]

**B**  
When I was five I walked the aisle singing, just as I am  
**G#m F# E**  
While my granddaddy held my hand  
**G#m F# E**  
He said you were a big God, so I  
**B**  
So I laid my life down

[Verse 2]

**B**  
I grew up in that old church listening to the sound  
**G#m F# E**  
Voices of worship ringing out  
**G#m F# E**  
They said You were a big God but I  
**B**  
I wondered how You fit in that small town

[Pre-Chorus 1]

**G#m F#**  
I was seventeen, I just had to leave  
**G#m F# E**  
To find out who You are to me

[Chorus 1]

I needed to  
**B**  
Climb a mountain and find You there  
**F#**  
Hear Your voice in the ocean air  
**E G#m F#**  
And sing hallelujah in a language I've never known  
**B**  
Find Your hand on the raging sea  
**F#**  
Face the storm and know Your peace  
**E G#m FE**  
Sing hallelujah over the years I have grown  
**E**  
And after all that I have seen  
**F# B**

You re still the same God to me

[Verse 3]

**B**  
At the age of twenty-two I walked the aisle again  
**G#m F# E**  
There I took her in my hand  
**G#m F# E**  
We said You were a big God and  
**B**  
So our little family began

[Pre-Chorus 2]

**E F#**  
I couldn t ask for more, than what You gave me, Lord  
**G#m F# E**  
What was I still searching for?

[Chorus 1]

I needed to  
**B**  
Climb a mountain and find You there  
**F#**  
Hear Your voice in the ocean air  
**E G#m F#**  
And sing hallelujah in a language I ve never known  
**B**  
Find Your hand on the raging sea  
**F#**  
Face the storm and know Your peace  
**E G#m FE**  
Sing hallelujah over the years I have grown  
**E**  
And after all that I have seen  
**F# B E**  
You re still the same God to me  
**G#m E**  
You re still the same God

[Bridge]

**B E**  
Healer, provider, my hope in the fire  
**G#m**  
You re still the same God  
**E**  
You never change

[Chorus 2]

I needed to  
**A**  
Climb a mountain and find You there

**F#**

Hear Your voice in the ocean air

**E**                    **G#m**                    **E**

And sing hallelujah in a language I ve never known

**B**

Find Your hand on the raging sea

**F#**

Face the storm and know Your peace

**E**                    **G#m**                    **E**

Sing hallelujah over the years I have grown

And after all that I have seen

And after all that I have seen

You re still the same God to me

You re still the same God

You re still the same God to me
