

Car
Built To Spill

Tabbed by: Ben
Email: *

Tuning: STANDARD

Previous tabs seemed to be quite a bit off from what is actually played.

This is the main verse riff, played under the verse chords:

```

e |-----|-----|
B |-----|-----|
G |-----|-----|
D |----0-1-----|1-0-1-3---0-1-0-----|
A |-1-3-----5-3-1-----|-----1-----0-1-0-3-0-1-0|
E |-----1-----3--1-3-|-----1-----|

```

```

e |-----|
B |-----|
G |-----|
D |---1h3p1?---1p0-----|
A |-3-----0-1-3-1-0-----|
E |-----1---3-----3-1-----|

```

The start of the second bar isn't quite right, I can't hear exactly what's being played.

First Solo Backing:

```

e |-----|
B |-----|
G |-----|
D |-----|
A |----6p3----6p3-----|
E |-3-3----6-3----6-----|

```

Solo over this using Gmin pentatonic 1st position;

```

e |-----1-3-----|
B |-----1-3-----|
G |-----0-3-----|
D |-----0-3-----|
A |----1-3-----|
E |-1-3-----|

```

The verse chord structure (you get the car?) is:

Bb, F, Gmin, Eb, Bb, F, Cmin, F, Gmin

The chorus chord structure (when you get stoned?) is:

Bb, F, Gmin, Eb x 2

Bb, F, Eb x 2

The bridge section (movies of my dreams?) is;

F, Gmin, Cmin, Eb x 4

The song structure is;

Verse x 2

Chorus x 1

Solo (over backing) x 8

Verse x 1

Bridge x 4

Chorus x 2

Solo (over chorus) x 2

| H hammer-on

| P pull-off
