break out the water
D C G
kinda celebrate
welcome back good old boredom
not so bad seems so great

D C G 2x

it s nice that it s not that exciting
after all we ve been through
when nothing hurts, no one s dying
most my dreams have come true

Bb G
and we see are wrongs to right
they re everywhere, everywhere
Bb G
the truth is rolling out of sight
and out of mind, out of mind
C D#
and all we want is anything
C
that ll take our minds
D#
off this nonstop anxiety
for a time

D C G...

inside my mind incessant chatter
when will these brain cells cut me some slack
maybe I m not smart enough to think of things to think about that matter
or afraid that once I think some things there s no going back

D C G...

and we see are wrongs to right
they re everywhere
the truth is rolling out of sight
and out of mind
and all we want is anything
that ll take our minds
off this nonstop anxiety
for a time
