LIFE S A DREAM  
-----

A little variation for acoustic guitar.

Capo 3

**Bm A G D**

**Bm**            **A**  
miles till dawn  
          **G**                            **D**  
but it feels so dark till then  
drowns you out  
but you can t be too certain

common wants  
only fill me up with need  
everybody  
in this world is just like me

so I row on

sounds like fear  
thinking there might be a cure  
waste your life  
but you don t know what it s worth

comb your mind  
for all the treasures of this earth  
too close to find  
anything outside yourself

so why row on

**D(V) D#**

**E**                    **G**  
life ain t nothing  
**D**            **E**  
but a dream  
**G**    **D**  
realistic  
**E**            **G\*Riff D**  
as it seems

**Bm A G D...**

destiny s vulgar  
so I might as well resist  
out of the darkness  
and all the secrets still exist

finally decided  
and by decide I mean accept  
I don t need all those  
other chances I won t get  
so why row on

life ain t nothing  
but a dream  
realistic  
as it seems
