```
Bb                RF1  Bb           RF1  Bb                        RF1
Every Thousand Years, This Metal Sphere, Ten times the size of Jupiter,

Bb                                RF2  Gm  RF1  Bb                 RF1
Floats just a few yards past the earth.       You climb on your roof

Bb                RF1  Bb              RF1 Bb
And take a swipe at it, With a single Feather, Hit it once every thousand

  RF2 Gm RF1  Bb                    RF1  Bb                RF2 Gm

          Ebsus2            Csus2                      Gm
that s a long time, But it s only half a blink, In the place you re gonna
