Things Fall Apart - Built To Spill

Dm F C G Dm

Came into the darkness from out of the blue

Dm F C G Dm

I don't know much but I know what to do

Dm F C G Dm

Froze in my mind, I believed it so long

Dm F C G Dm

Alright, I'll admit I was wrong

Dm F C G Dm

Stay out of my nightmares, stay out of my dreams

Dm F C G Dm

You're not even welcome in my memories

Dm F C G Dm

When things are alright and I want what I've got

Dm F C G Dm

It's only momentarily thought

Dm F C G

Fade out, fade out

Am F Dm G Am

Am F Dm G Am

when no one's afraid of no one

Dm F C G Dm

We've all seen enough, now it's time to decide

Dm F C G Dm

The meekness of love or the power of pride

Dm F C G Dm

It doesn't matter if you're good or smart

Dm F C G Dm

Goddamn it, things fall apart
