

**Trimmed And Burning**  
**Built To Spill**

The basic progression throughout this song is:

B, D, E, D, A, B, D. All in powerchords, you ll have to listen to it to get the timing.

The bridge section is basically;

```
e|-----|
B|-----|
G|-----|
D|-----|
A|-----2-0-----|
E|-2-0-2-0-2-4-5-4-2-0-2-2-2-2-----|
```

The melody guitar lines are in B minor pentatonic at the 5th and 7th position, best to improvise them.

This is my first tab and it s from memory so sorry if it s not perfect!!

Cheers!!
