Water Sleepers
Built To Spill

WATER SLEEPERS

Intro: **A**

              C#m   **Em(VII)**
You tell them you don t know how to live
Bm   **Dm**   **A**
Caught in the act of making up your deathbed on the wake

               C#m   **Em(VII)**
Wake up you re dreaming your head s starving
        Bm
you re digging up the plants you love
                      Dm
because you heard the stars were root-bound
                        A
they re root-bound

              C#m   **Em(VII)**
wake up your dancing dancing lifeless legs
        Bm   **Dm**
they re antennas are picking up the sounds that whales make
                   A
whale song is love

               C#m   **Em(VII)**
well they can t help it ah we can t help it
Bm
following the signals from the deep we pay off the cross-road
Dm   **A**
gods with our accidents

       C#m   **Em(VII)**
initiation catch you in the act
     Bm
of thinking you were doing something else
           Dm   **A**
by going for a sunday dive head-first

Instrumental: **C#m Em(VII) Hm Dm A** 3x

               C#m   **Em(VII)**
suddenly it s dark out too dark to swim
Bm
lord the water s got it in for us
               Dm   **A**

and we re perpetually half-in caught in the act

Outro: **C#m Em(VII) Bm Dm A** 3x
