Tuning: Standard

Intro: For the first 3 minutes, it?s just D and G, with the lead guitar playing
in D major:

D Major Scale: D E F# G A B C#

```
e|----------------------------------9-10----------------|
B|------------------------------10-12-------------------|
G|----------------------9-11-12-------------------------|
D|--------------9-11-12---------------------------------|
A|-------9-10-12----------------------------------------|
E|-10-12------------------------------------------------|
```

```
D             G       D         G
When not being stupid is not enough
D              B  Bb  D        G
When not being wrong is not enough
Emin            A
Waited such a long time
Emin   A
Have I waited too long?
D                     G     D                      G
In a world that?s so bad It?s not hard to feel good
D              B Bb
You do what you have to
D               G
Not as much as you could
Emin                  A
Just because you?re not wrong
Emin            A
Doesn?t mean that you?re right
```

Octave Bit - play 4 times
```
e|------------------|
B|------------------|
G|-7-11-9-7-9-------|
D|-----------9-8----|
A|-5-9--7-5-7-------|
E|-----------7-6----|
```

```
The last time play this over the Emin and A chords
e|---------------------------|
B|---------------------------|
G|-9-9-11-9-11-14-14-12-11-----|
D|---------------------------|
A|-7-7-9--7-9--12-12-10-9------|
E|---------------------------|

D                B Bb   D      B Bb
When not being stupid is not enough
D                B Bb D      B Bb
When not being evil is not enough
Emin           A
You look all around you
Emin            A
You never look at the best stuff

D   C#  B A G#      G
/////////////////////////// Play this twice

F#  E   B   G   A
/////////////////////////Then back to the above section, and repeat

For the outro solo, again use D major
