INTRO

C Dm F C
What are you doing tonight?

Are you alone?

Thoughts of you come over my mind

I miss you to the bone

I d like to come on over

Be in exile and discover a Girrrll

We need to have a one to one

C G Am F C

Me an you, we really do should have a one to one

I know that, I say we ve got so much things to talk about

We must get together to sort it out

If in your mind you have some doubts

Come, and let me show you what I $\ensuremath{\mathsf{m}}$ about

C G Am F C

We need to have a one to one

Oh girl, no denying we should have a one to one

C G Am F C

And I want you know that

I would not mislead you like those other guys do

I wouldn t use you count on me

My love will always be true

C G Am F C

All I ask of you woman

Is to be pure and true just you be pure and true

If you can do that woman then I whoaaa

C G Am F C

I say yeah we should have a one to one

Oh yeah we really do girl!

We should have a one to one

Oh right then..talk to me

What are you doing tonight?

Honey are you alone?

The thought of you come over my mind

I miss you to the bone

C G C Am I d like to come on over Be in exile and discover girrrl G Am C We should have a one to one Me and you we really do We need to have a one to one G C And I tell you once more So much things to talk about Come come come, let us get together to sort it out If in your mind you have some doubt Then!
