

A Place Where You Belong
Bullet for My Valentine

Artist: Bullet For My Valentine
Song: A Place Where You Belong
Album: Fever

Hey guys! ^_^

I couldnt find many good chord tabs of this, and its a beautiful song, so I thought Id have a go at tabbing it myself. I hope I didn t kill it XD

Its pretty simple, and I know its supposed to be played in Drop C but I couldnt be bothered to detune so I worked it out in Standard. Any comments or corrections, Im happy to hear them :)

Intro and Verse

(just pick some notes out of the chord for the intro, then listen for the strumming, its pretty simple)

**Bm G**  
Your body s cold  
**Bm G Bm G**  
Hope is lost I can t let go  
**Bm G (hold)**  
Can I die with you so we can never grow old?  
**Bm G**  
Cut the ties  
**Bm G Bm G**  
With this note you left behind  
**Bm G**  
As I read the words I hear you telling me why

Chorus

**Bm A**  
Too late, too late  
**G**  
I never said goodbye  
**Bm A**  
Too late, too late  
**G**  
Can t even ask you why  
**G A Bm G**  
And now I m wasting away in my own misery

**A**

I hope you ve finally gone to a place where you belong

(Repeat Intro and Verse)

My sadness shows  
As your name is carved in stone  
Can t erase the words, so the reality grows  
I wish Id died  
On that night right by your side  
So just kill me now and let the good times roll

CHORUS (same as first chorus)

Bridge

**Bm**  
Will you wait for me? (Will you wait for me?)

**G**  
Will I see you on the other side?

**A**  
You won t have to wait too long

**Bm**  
Yeah, yeah

Will you come to me? (Will you come to me?)  
**G**

Will you take me to the other side?  
**A**

Because here I don t be-long

SOLO = (**G, A, Bm**) x3, then **G A**

CHORUS (same as first chorus), then repeat till end (**Bm**)

I never said goodbye  
Can t even ask you why (I ve wasted)  
Away in my own misery  
I hope you ve finally gone to a place where you belong
