

Bittersweet Memories
Bullet for My Valentine

Bittersweet Memories Chords

Bullet For My Valentine

Tuning: EADGBE

Note: Eb that I used: 668866

Intro : Eb Cm G# Bb

Cm Cm Gm Gm

(Only chords Without singing)

Verse 1:

Cm

You turn me off at the push of a button

Cm

And you pretend that I dont mean nothing

Gm

Im not gonna say its easy to tell

Gm

But guess what honey it aint no angel

Verse 2:

Cm

You like to scream these words as a weapon

Cm

Well go head take your best shot woman

Gm

I wanna leave you its easy to see

Gm

But guess what honey its not that easy

Pre-Chorus:

Eb

Cm

We get so complicated

G#

Bb

These fingers full of memories

Chorus:

Eb

So rip my pictures from your wall

Eb

Tear them down and burn them all

Cm

Light the fire and walk away

G#

Theres nothing left to say so

Eb

Take the ashes from the floor

E♭

Bury them to just make sure

Cm

That nothing more is left of me

G#

Cm

Just bittersweet memories

Cm

(Memories.....Aaaah)

Verse 3:

Cm

I wanna run and escape from your prison

Cm

But when I leave I feel something is missing

Gm

im not afraid thats easy to tell

Gm

This cant be heaven it feels like im in hell

Verse 4:

Cm

Your like a drug that I cant stop taking

Cm

I want more and I cant stop craving

Gm

I still want you its easy to see

Gm

But guess what honey your not that good for me

Pre-Chorus

Chorus

I hope you will enjoy
