## Bittersweet Memories Bullet for My Valentine

Bittersweet Memories Chords Bullet For My Valentine

Tuning: EADGBE

Note: Eb that I used: 668866

Intro : Eb Cm G# Bb

Cm Cm Gm Gm

(Only chords Without singing)

Verse 1:

Cm

You turn me off at the push of a button

Cm

And you pretend that I dont mean nothing

T.... ...

Im not gonna say its easy to tell

Gm

But guess what honey it aint no angel

Verse 2:

Cm

You like to scream these words as a weapon

Cm

Well go head take your best shot woman

 $\operatorname{\mathbf{Gm}}$ 

I wanna leave you its easy to see

Gm

But guess what honey its not that easy

Pre-Chorus:

Eb Cm

We get so complicated

G# Bb

These fingers full of memories

Chorus:

Eb

So rip my pictures from your wall

Eb

Tear them down and burn them all

Cn

Light the fire and walk away

G#

Theres nothing left to say so

Eb

```
Take the ashes from the floor
 Eb
Bury them to just make sure
That nothing more is left of me
Just bittersweet memories
(Memories....Aaaah)
Verse 3:
Cm
I wanna run and escape from your prison
But when I leave I feel something is missing
Gm
im not afraid thats easy to tell
This cant be heaven it feels like im in hell
Verse 4:
Cm
Your like a drug that I cant stop taking
I want more and I cant stop craving
I still want you its easy to see
Gm
But guess what honey your not that good for me
Pre-Chorus
Chorus
```

I hope you will enjoy
