

Not Invincible
Bullet for My Valentine

Em

They crawl under your skin!

D

And eat away your soul

Em

So let the feast begin!

D

And then bury the bones!

Em

It seems they want to be the-

D

Judge, jury, and executioner!

Em

So let the feast begin

D

We ll never leave you alone!

C

C

D

They cut you do-wn!

D

And they bury the bones!

C

D

They force you o-ut!

D

They ll never leave you alone!

C

D

They re not, not invincible!

D

You need to fight them to the death!

C

D

They re not, not invincible!

D

Em

You need to lay those fucks to rest!

Em

They wanna shut your mouth!

D

And cut away your tongue!

Em

Try to choke you out!

D

And steal the air from your lungs!

Em

It seems they want to be the

D

Judge, jury, and executioner!

-SOLO- Just wing it. I usually do.

Any combo of Em, C and D work just fine.

Unless of course you plan on playing the actual solo at the same time.
