Working for money that s already spent

A bender ain t a bender until you quit

```
Nights spend free chasing the wind
   D#m
And most of the days nursing the spins
                             F#
The hair of the dog is always worth a shot
    F#
       F
           E
And honestly
                D#m G#m Gm
If it were up to me
My whole life would be the same mistake on repeat
( C#m B F# )
( C#m B F# )
( C#m B F# )
( F E Em F# )
( B D#m F# )
( B D#m F# )
So we re making bad decisions
Bad decisions tonight
 running amuck and keeping
                             B F# Bb E
It up until the morning s light
Cause we don t need no guarauntees
               В
Live in the now figure it out when it s right
```

D#m

We re making bad bad decisions tonight
