

**Morning After**  
**Bumpin Uglies**

**Ab**

Morning after waking up to see

**Cm**

That shes lieing in bed right next to me

**Bbm**

With an empty bottle of c and c

**Db**

**Eb**

Oh my god what a night of debauchery

**Ab**

There s a thin line between haste and action

**Cm**

A thin line between obsession and passion

**Bbm**

But i walk the line cause aint no time to waste

**Db**

**Eb**

Emotionally drive i ve got a dream to chase

**Ab**

But nobody ever said you ve gotta walk it alone

**Cm**

Every man deserves a pretty girl at home

**Bbm**

With the love that she supplies you share the highs and the lows

**Db**

**Eb**

When you look into her eyes she just smiles and it shows

**Ab**

You get weak knees when she comes around

**Cm**

You cant speak free cause of how you think it sounds

**Bbm**

Butterflies creeping up into your chest

**Db**

**Eb**

And the whiskey logic has you thinking you should confess

**Ab**

But there s a thin line between haste and action

**Cm**

So just sit back and enjoy the chain reaction

**Bbm**

You can t force a moment can t create the divine

**Db**

**Eb**

But if you wait patiently it s just something you ll find

**Ab**

Now it s the morning after waking up to see

**Cm**

That shes lieing in bed right next to me

**Bbm**

With an empty bottle of c and c  
**Db Eb**  
Oh my god what a night of debauchery

**Ab**  
There was a bottle of wine, a case of beer  
**Cm**  
90 minutes flat we made it disappear  
**Bbm**  
We had a couple of laughs she had a look in her eye  
**Db Eb**  
I had a couple of thoughts as to the reason why  
**Ab**  
It was summer time and we were living in ease  
**Cm**  
On an overcast night with an underblown breeze  
**Bbm**  
There ain t ever been a sight quite as pretty to me  
**Db Eb**  
As a brown eyed flower child drinking straight whiskey  
**Ab**  
There was liquid courage running through my veins  
**Cm**  
And we went bar to bar running thought the rain  
**Bbm**  
The kind of love that drives a man insane  
**Db Eb**  
An oasis of bliss amongst a desert of pain  
**Ab**  
But there s a thing line between haste and action  
**Cm**  
And now i m crossing lines in search of satisfaction  
**Bbm**  
Truth of the matter its as simple as this  
**Db Eb**  
Happiness can t exist until you take a little risk  
**Db Eb**  
Aya o o

[Solo] **Db Eb**

**Db Eb**  
Last call the destroyer of dreams  
**Db Eb**  
We were making a scene they had to ask us to leave  
**Db Eb**  
So we took it past what we once conceived  
**Db Eb**  
With a moonlit walk along an empty street  
**Db Eb**  
And she looked at me with a close lipped smile  
**Db Eb**  
And said shes not going home tonight

**Db**

**Eb**

My reply, quite simply put:

**Db**

**Eb**

Will you still love me in mornings light?

**Ab**

Now it s the morning after waking up to see

**Cm**

That shes lieing in bed right next to me

**Ebm**

With an empty bottle of c and c

**Db**

**Eb**

Oh my god what a night of debauchery
