Let s do this tonight

Let s make believe that

Nothing s in my way

And this life is just a game

And so

Why look so serious

Why try wanna be

Something you re not

And the pleasure

Never makes me understand

Ulang Chorus

I swear  
Its not answer  
I ll never get it but I will try  
And I know I ll never get by  
To another way of life  
I swear  
Its not the answer  
I ll never get it but I will try  
And this is one thing I wont deny
