

**Soldier**  
**Bunkface**

Intro:

**Am Em** x2

Verse 1:

**Am Em Am G**  
You are the soldier, a rising sun.. Wait for the heyday look far away..  
**F C G**  
And believing yourself your name on the shelf, a legend...

Verse 2:

**Am Em Am G**  
You are the soldier the chosen one, bring back the heyday look far away..  
**F C G**  
With respect and decay , forever we ll stay, together...

Chorus:

**Am Em Am Em**  
And singing life is all that we need, but the lies is all that we see  
**Am Em**  
Raise your hands high up in the sky,  
**F G**  
missing secrets you ll fine,  
**Am F C G Am F C G**  
in your heart... in your heart.... in your heart...

Verse 3

**Am Em**  
You are the soldier, light up the night..  
**Am G**  
We are the soldiers, we ll stand in fight..  
**F C G**  
At the end of the day, forever we pray for the legend
