On The Front Porch With You

E **C#m** **F#m7** **B**
Three creaky wooden stairs Those squeaky rocking chairs
G#7 **C#m** **F#m**
The well worn welcome mat The lattice vines The happy

Times.

E **C#** **F#**
All I want to do When the day is through Is linger here on the
B
front porch with you.

E **C#**
From the wicker swing While the night birds sing We ll watch
F# **B**
the fireflies sparkin Do some sparkin too
E **C#** **F#**
How the hou-rs fly As the moon drifts by --How sweet the air
E
As we stare At the sight Oh! How I love to linger here like
this Hold your hand, and

C#7 **F#** **B** **E**
steal a kiss Or two On the front porch with you
