[G]

If I can somehow take back all these lies

[Csus9]

Finally put down this disguise

[Am] [G]

Get you back, back where you belong

If I can take back all the shit I ve done

[Csus9]

Make you see that you re the one

[Am] [G]

Started out so right but went so wrong

[Csus9] [D]

Tell me baby, how did it go so wrong?

[G] [D] [Em7]

Please don t ever go away, no matter what I say

[Csus9]

You ve got to know how much I need you

[G] [D] [Em7]

Please don t let it go to waste, all the memories we made

[Csus9] [G]

Cuz they wont mean a thing, if you re not here with me

[D] [Em7] [Csus9]

[G]

Do you remember how we used to talk

[Csus9]

About running away just to get lost

[Am] [G]

Wish that you were here with me tonight

[Csus9] [D]

Tell me baby, how to make this right?

[G] [D] [Em7]

Please don t ever go away, no matter what I say

[Csus9]

You ve got to know how much I need you

[G] [D] [Em7]

Please don t let it go to waste, all the memories we made

[Csus9] [G]

Cuz they wont mean a thing, if you re not here with me

[G] [D]

If I could lay you on my bed

If I could hold you once again

[Em7]

I d never let you go

[G] [D]

Take your time and do what is right,

[Csus9]

Just know that I ll be waiting

[G] [D] [Em7] [D] [Csus9]

[G] [D] [Em7]

Please don t ever go away, no matter what i say

[Csus]

You ve got to know how much i need you

[G] [D] [Em7]

Please don t let it go to waste, all the memories we made

[Csus9] [G]

Cuz they wont mean a thing, if you re not here with me

[D] [Em7]
