Was your number one fan (number one fan)
Now catch me if you can (catch me if you can)
              A#
For all the time you wasted
                Cm
For all the love I traded

I did it again I did it again
You probably still think that I m your man

Well girl catch me if you can
                    Gm
Catch me if you can

Ohh uh ohh

I saw a million flashing signs

Telling me to run as fast as I
Could never understand how somebody like you
could even sleep at night
But this hurts just like it helped me
This sucks but you don t deserve me
You re tryin to chase me out the door but it s too late

Like I loved you
Was your number one fan (number one fan)
Now catch me if you can (catch me if you can)

For all the love I traded
I did it again I did it again
You probably still think that I m your man
Well girl catch me if you can
