Falling through feeling
And falling through time
You won t know me to see me

Cleverly disguise it, so it s not been heard before
And I.... Will sing a lullaby
Let you know I m near you through the night to keep you warm.
I.... Will play a rhapsody

Cleverly disguise it, so it s not been heard before...

And.. I.... Will sing a lullaby

Let you know I m near you through the night to keep you warm.

I ll let you know I m near you through the night to keep you warm.

I.... Will play a rhapsody
