Never been much on religion but I sure enough just fell down on my knees[/tab]

Livin in confusion, searching for truth that I never found

I needed something to really believe

Looked toward the heaven, On a dark and stormy winter afternoon

Something in the air was oh so rare, I m not really sure what it was but I know
for sure that it s still
there

Scared, Hey,ey,ey,ey,ey,ey I m terrified

Never been much on religion but I sure enough just fell down on my knees

Ohhhhohhhohh

And I m scared you know I m shakin I m laying awake thinking about it now I m terrified

Never been much on religion but I sure enough would like to hear the call

Come on now gimmee a sign you re listening to me,

You hear me talking, you hear me crying it s confusing to me lord I m terrified

Never been much on religion but I sure enough just fell down on my knees

Ohhhhhohhhohh

The trick to this song is; some parts sound better played in first position and others you ll need to play the fretboard to get the best sound. If you can get a copy of it on tape or CD you ll see what I mean.

For those of you who missed the Burton Cummings "Intimate and Interactive" on Canada s Much More Music station on Monday Nov. 1, He had Randy on with him playing some guitar and also indicated that they were seriously considering the possibilty of a "Guess Who" reunion tour this winter!!

Have Fun
