Biding My Time
Busby Marou

Capo: 4th fret

```
C
I could tell you stories
C
Could you teach me some more?
F
Iâ€™ll tell you boutâ€™ the countries
F
Youâ€™ve never been before

C
Iâ€™ll go on forever
C
Forever in a day
F
Until you lose the interest
F
Right then I walk away

Am
So I wonâ€™t let that happen
        C
Not while weâ€™re living free
G
I can be the poet
G
You can be the story

C
You can keep me grounded
C
Keep me on my toes
F
Iâ€™ll always be chasing you
F
Wherever you may go

C
And if you slip ahead
C
And break away from us
F
Donâ€™t run out of sight
F
I just might not catch up
```

Am
But I won't let that happen
      C
Not while we're having fun

G
You can be the runner
G
I can be the gun

C   **G**
I'll be waiting for you here
                  Am
When you come calling
        F
I'll be waiting
 C   **G**
Biding my time, biding my time
             Am
Waiting for you here
           F
Biding my time here

C
We can sit in silence
C
I know that's what you love
F
I learn to appreciate
F
The beauty from the love

C
And I can share my secrets
C
I've only sung before
F
You can choose to stand by me
F
Or simply to ignore

    Am
So I won't let that happen
C
While we both belong
G
You can be the singer
G
And I can be the song

C   **G**
I'll be waiting for you here
                  Am

```
When you come calling
            F
I’ll be waiting
 C                          G
Biding my time, biding my time
                        Am
Waiting for you here
                    F
Biding my time here

Solo (Chorus)

C
I could tell you stories
C
Could you teach me some more?
F
I’ll tell you bout’ the countries
F
You’ve never been before

C
I’ll go on forever
C
Forever in a day
F
Until you lose the interest
F
Right then I walk away

     Am
So I won’t let that happen
C
While we both belong
G
You can be the singer
G
And I can be the song

C                               G
I’ll be waiting for you here
                            Am
When you come calling
            F
I’ll be waiting
 C                          G
Biding my time, biding my time
                        Am
Waiting for you here
                    F
Biding my time here
 C                          G
```

```
Biding my time, biding my time
                        Am
Waiting for you here
                      F
Biding my time here

 C                            G
Biding my time, biding my time
                        Am
Waiting for you here
                      F
Biding my time here
```
