F5: 133xxx

G5: 355xxx

F5

She saw the pieces of her yesterday

D5

She was wondering how she s fade away

C5

Who would love her and breathe and listened in

A#5

Where s that she had made a difference?

F5

He s a soldier of misfortune

D5

Seven steps he make - one forward

C5

How the truth hurts

A#5

Where lies the crystal lies

F5

Try to wrap your arms around our memory

D5

Maybe you were not where you re meant to be

C5

Lord knows we re not who

A#5

We think we are

G5

All night doctors

D5

All night preachers

C5 **G5**
All night girls to get you through

G5
Lost and wasted

D5
Hope is fading

C5
And I m waiting here

G5
For You

F5
Secret life of unteriors

D5
Almost girls are superior

C5
Everyday I want

A#5
This life for you and

F5
Every night it s the same on the waiting

D5
For the word of change

C5
For all the fightings

A#5
To die away

F5
Find confort in your memory

D5
I m not where I am meant to be

C5
You shine the world stops

A#5
And god s a humble

G5
All night doctors

D5
All night preachers

C5 **G5**
All night girls to get you through

G5
Lost and wasted

D5
Hope is fading

C5
And I m waiting here

G5

For You

G5 **D5**

Were you ever my love?

C5

Were you ever my love?

G5

I don t know (I don t know)

I say...

G5

All night doctors (Were you ever my love?)

D5

All night preachers (Were you ever my love?)

C5

G5

All night girls to get you through

G5

Lost and wasted (Were you ever my love?)

D5

Hope is fading (Were you ever my love?)

C5

And I m waiting here

G5

For You

G5 **D5**

Were you ever my love?

C5

Were you ever my love?

A5

E5

I don t... know...
