I ve sucked the life out of this site, and now I feel as though I should give it something in return, so...

This a song off Razorblade suitcase, and is mostly bass except the chorus. And this is my first attempt at tab, so bear with me.

intro/verse:

```
G-----|
D-----|
A--2--2--0-----|
E-----2--0--2--0-----|
```

Here and there Nigel throws in some feedback, and occasionally you ll hear a higher pitch version of that riff, that s when a guitar dubs over it, along with the bass.

chorus:

```
e-----|
B-----|
G-----|
D---7--7--7---X--X--X--5-----|
A---7--7--7---X--X--X--5-----|
E---5--5--5---X--X--X--3-----|
```

wonder if.....
met my wife.....

well, that s it, I know this probably isn t right, or exactly how they play it, although I m sure about the bass part. So, send all flames,

comments, questions, anything to: *
