#### VERSE

Fragile to the waves - vicissitudes of days  
When I am with you I feel a little brave  
The madness and the wars the circles that we run  
Confusion we import look what we have become  
And all of this time I was just trying to reach you  
Through the rain traffic

#### CHORUS

As you float into space  
Your white eyes hide your face  
As you float in between - I die with you  
If you leave - I die with you I die with you
