Headful Of Ghosts
Bush
[Intro]
F C Dm Bb
[Verse 1]
A C
Am
I stand around at American weddings
I stand around for family
Am
At my best when I m terrorist inside
at my best when it s all me
I was there when they took all the people
I was alone in a mental ravine
You breathe life when you break the walls down
You breathe life when you set me free
[Chorus 1]
Where is my head where are my bones
                       Dm
                                    Вb
Why are my days so far from home
Where is my head where are my bones
Can you save me from myself
Can you save me from myself
[Verse 2]
       C
Am
Free-thinking renegade social
Mr. Moon Man now
Out the slipstream of my possibilities
got the boat so we don t drown
Am
These are the days that I m split down the middle
```

```
С
No words to calm me down
Be sure that what you dream of
won t come to hunt you out
[Chorus 2]
Where is my head where are my bones
                        Dm
Why are my days so far from home Ghostman
Where is my head where are my bones
How come we get so lost Ghostman
Where is my head where are my bones
                      Dm
Can you save me from myself
Bb
Can you save me from myself
[Interlude]
\mathbf{F} Am (2x)
[Verse 3]
Am
I stand around at American weddings
I stand around for family
At my best when I m terrorist inside
at my best when it s all me
[Chorus 3]
Ghostman
                Dm
                          Bb
How come we get so lost Ghostman
Where is my head where are my bones
Can you save me from myself
Can you save me from myself
Where is my head where are my bones
                                         Bb
Can you save me from myself
