

**Mayhem Is Beautiful**  
**Bushwalla**

**C , Em , Dm7 , Am , G** all the way through.

The pattern is like this:

Pick the 3 fingered notes in	Then	Strum Em at the 7th	Then	Strum Dm7 at the 5th	Then	Pick these note from The Open Am And G Chords
------------------------------------	------	---------------------------	------	----------------------------	------	---

**C** open

```

e|-----7-----5-----|
B|-1-----8-----6-----|
G|-----9-----5-----2-----0----|
D|-2-----9-----7-----2---2---0---0--|
A|-3-----7-----5-----0-----|
E|-----x-----3-----|

```

Or play it however you like, it still works :)

There are more strums and picks and stuff added in for the choruses and instrumental, mess around with it!

These are the rough timings to help you fit the lyrics in:
