By My Side

Intro:

C (Csus2) Am (Am7) F (C/F) C (Csus2)

1.Verse

C
You re walking by my side
Am
the conversation is just right
F C
but somehow, it is all wrong

2. Verse

C
There s something different in your eyes
Am
am I the only one who tries
F C
please tell me what is going on

Pre-Chorus

C Am
There s pictures of your old apartment
F C
in my glove compartment... waiting
C Am
Reminders of old times and regrets
F C
times that I should forget but can t

Refrain

Em F
You don t know what it feels like
C
to see you walking by my side
Em F C
so close but far away

Em F
But I know what it feels like
C
to see you walking by my side
Em F C
so close but far away

3. Verse

C

Darling there s nonono

Am

body I know know know

F

that I feel sososo

C

close to

Pre-Chorus

C

Am

There s pictures of your old apartment

F

C

in my glove compartment... waiting

C

Am

Reminders of old times and regrets

F

C

times that I should forget but can t

Refrain

Em

F

You don t know what it feels like

C

to see you walking by my side

Em

F

C

so close but far away

Em

F

But I know what it feels like

C

to see you walking by my side

Em

F

C

so close but far away
