

Britney Intro
Busted

Tabbed by Andrea Balla /Hungary/

with standard tuning

Well I have noted this down when I hadn t begun learning to play the guitar so you can imagine how easy it is...or probably this is the reason why no one has tabbed it here before. Anyway it made me very happy to be able to play it by that time...and it makes me happy now if I can tab it so here you are:

```
E |-----|
B |--3--3--3--3-3-3>1-1--1--0>1-0-----|
G |-----0--0--0-0-0>2-2--2--0>2-|
D |-----|
A |-----|
E |-----|
```

Anything you want to tell me about it: *
