INTRO

G# G# C# C#

G# Eb C# C#

G#

I m so rushed off my feet, (oh-oh)
C G (could jus be G for this line!)
Looking for Gorden street,

Eb

So much I need to say,

C#

Iâ€™m sorry that its on her wedding day...

G#

Coz sheâ€™s so right for me, (oh-oh)
C G (could jus be G for this line!)
Her daddy disagrees,

Eb

Heâ€™s always hated me,

C#

Coz I never got, a j-o-b...

Eb

Coz sheâ€™s mine,

CHORUS

G#

C#

And Iâ€™m glad I crashed the wedding,

G#

C#

Its better than regretting,

Fm

I could have been a loser kid

Eb

And ran away and hid

C#

Eb

But it s the best thing I ever did.

G#

C#

Coz true love lasts forever

G#

C#

And now weâ€™re back together

C# **G#**
As if he never met her
C#
So looking back,
Eb **G#** **Eb**
I m glad i crashed the wedding...
C# C#

G#
The neighbours spread the word (and),
C **G** (could jus be G for this line!)
My mom cried when she heard,

Eb
I stole my girl away,
C#
From everybody gathered there that day.
Eb
And, just in time,

CHORUS

G# **C#**
And Iâ€™m glad I crashed the wedding,
G# **C#**
Its better than regretting,
Fm
I could have been a loser kid
Eb
And ran away and hid
C# **Eb**
But it s the best thing I ever did.
G# **C#**
Coz true love lasts forever
G# **C#**
And now weâ€™re back together
C# **G#**
As if he never met her
C#
So looking back,
Eb **G#**
I m glad i crashed the wedding...

BRIDGE

G# **C#** **Eb**
Don t waste time being
G# **C#**
Mad at me for taking her away, coz
Fm **Eb**(could also be **Bb C#**!)
Anyway she didnâ€™t want to stay.
G# **C#**

So please believe me when I say

C# **G#**
Sheâ€™s glad I crashed the wedding
Eb **C#**
It's better than regretting...
Fm
The ring she got was lame
Eb
She couldnâ€™t take the pain,
C#
She didnâ€™t want a silly second name
G# **C#**
Coz true love lasts forever,
G# **C#**
And now weâ€™re back together
C# **G#**
You might as well forget her,
C#
And walk away

Eb **G#**
Sheâ€™s glad I crashed the wedding...
G# **C#**
It's better than regretting... (it's better than regretting)
Fm
The ring she got was lame
Eb
She couldn't take the pain,
C#
She didn't want a silly second name (no no no no)
G# **C#**
Coz true love lasts forever, (true love lasts)
G# **C#**
And now we're back together
C# **G#**
You might as well forget her
C#
And walk away
Eb **G#**
She's glad I crashed the wedding...
