I m so rushed off my feet, (oh-oh)
C G (could jus be G for this line!)
Looking for Gorden street,

C

So much I need to say,

Bb

Iâ€™m sorry that its on her wedding day...

F

Coz sheâ€™s so right for me, (oh-oh)
C G (could jus be G for this line!)
Her daddy disagrees,

C

Heâ€™s always hated me,

Bb

Coz I never got, a j-o-b...

C

Coz sheâ€™s mine,

CHORUS

F

Bb

And Iâ€™m glad I crashed the wedding,

F

Bb

Its better than regretting,

Dm

I could have been a loser kid

C

And ran away and hid

Bb

C

But it s the best thing I ever did.

F

Bb

Coz true love lasts forever

F

Bb

And now weâ€™re back together

Bb **F**
As if he never met her

Bb
So looking back,

C **F** **C**
I m glad i crashed the wedding...

Bb Bb

F
The neighbours spread the word (and),
C **G** (could jus be G for this line!)
My mom cried when she heard,

C
I stole my girl away,
Bb
From everybody gathered there that day.

C
And, just in time,

CHORUS

F **Bb**
And Iâ€™m glad I crashed the wedding,

F **Bb**
Its better than regretting,

Dm
I could have been a loser kid

C
And ran away and hid

Bb **C**
But it s the best thing I ever did.

F **Bb**
Coz true love lasts forever

F **Bb**
And now weâ€™re back together

Bb **F**
As if he never met her

Bb
So looking back,

C **F**
I m glad i crashed the wedding...

BRIDGE

F **Bb** **C**
Don t waste time being

F **Bb**
Mad at me for taking her away, coz

Dm **C**(could also be **G Bb**!)
Anyway she didnâ€™t want to stay.

F **Bb**

So please believe me when I say

Bb **F**
Sheâ€™s glad I crashed the wedding
C **Bb**
Its better than regretting...
Dm
The ring she got was lame
C
She couldnâ€™t take the pain,
Bb
She didnâ€™t want a silly second name
F **Bb**
Coz true love lasts forever,
F **Bb**
And now weâ€™re back together
Bb **F**
You might as well forget her,
Bb
And walk away

C **F**
Sheâ€™s glad I crashed the wedding...
F **Bb**
It s better than regretting... (it s better than regretting)
Dm
The ring she got was lame
C
She couldn t take the pain,
Bb
She didn t want a silly second name (no no no no)
F **Bb**
Coz true love lasts forever, (true love lasts)
F **Bb**
And now we re back together
Bb **F**
You might as well forget her
Bb
And walk away
C **F**
She s glad I crashed the wedding...
