F#

I m so rushed off my feet, (oh-oh)
C G (could jus be G for this line!)
Looking for Gorden street,

C#

So much I need to say,

B

Iâ€™m sorry that its on her wedding day...

F#

Coz sheâ€™s so right for me, (oh-oh)
C G (could jus be G for this line!)
Her daddy disagrees,

C#

Heâ€™s always hated me,

B

Coz I never got, a j-o-b...

C#

Coz sheâ€™s mine,

CHORUS

F#

B

And Iâ€™m glad I crashed the wedding,

F#

B

Its better than regretting,

Ebm

I could have been a loser kid

C#

And ran away and hid

B

C#

But it s the best thing I ever did.

F#

B

Coz true love lasts forever

F#

B

And now weâ€™re back together

B **F#**
As if he never met her

B
So looking back,

C# **F#** **C#**
I m glad i crashed the wedding...
B B

F#
The neighbours spread the word (and),
C **G** (could jus be G for this line!)
My mom cried when she heard,

C#
I stole my girl away,
B
From everybody gathered there that day.
C#
And, just in time,

CHORUS

F# **B**
And Iâ€™m glad I crashed the wedding,
F# **B**
Its better than regretting,
Ebm
I could have been a loser kid
C#
And ran away and hid
B **C#**
But it s the best thing I ever did.
F# **B**
Coz true love lasts forever
F# **B**
And now weâ€™re back together
B **F#**
As if he never met her
B
So looking back,
C# **F#**
I m glad i crashed the wedding...

BRIDGE

F# **B** **C#**
Don t waste time being
F# **B**
Mad at me for taking her away, coz
Ebm **C#**(could also be **G# B**!)
Anyway she didnâ€™t want to stay.
F# **B**

So please believe me when I say

B **F#**
Sheâ€™s glad I crashed the wedding

C# **B**
It's better than regretting...

Ebm
The ring she got was lame

C#
She couldnâ€™t take the pain,

B
She didnâ€™t want a silly second name

F# **B**
Coz true love lasts forever,

F# **B**
And now weâ€™re back together

B **F#**
You might as well forget her,

B
And walk away

C# **F#**
Sheâ€™s glad I crashed the wedding...

F# **B**
It's better than regretting... (it's better than regretting)

Ebm
The ring she got was lame

C#
She couldn't take the pain,

B
She didn't want a silly second name (no no no no)

F# **B**
Coz true love lasts forever, (true love lasts)

F# **B**
And now we're back together

B **F#**
You might as well forget her

B
And walk away

C# **F#**
She's glad I crashed the wedding...
