**C#m E D#m G# A B**

```

E-----|
B-----|
G--6----9----8-----|
D--6----9----8---6---7---9---|
A--4----7----6---6---7---9---|
E-----4---5---7---|

```

Ive noticed that nobody has tabbed this song, so ive done it myself. The song is a B-Side to Who s David and can be found on CD2. This is a great over of the Crowded House song.

C#m E  
I m really close tonight  
D#m G#  
And I feel like I m moving inside her  
C#m E  
Lying in the dark  
D#m G#  
I think that I m beginning to know her  
C#m E  
Let it go  
A  
I ll be there when you call

YEAH...

CHORUS

E B C#m A  
Whenever I fall at your feet  
E B C#m A  
And you let your tears rain down on me  
E B C#m A  
Whenever I touch your slow turning pain  
C#m E  
You re hiding from me now  
D#m G#  
There s something in the way that you re talking

**C#m E**  
The words don't sound right  
**D#m G#**  
But I hear them all moving inside you  
**C#m A**  
Go, I'll be waiting when you call

yeah...

CHORUS

**E B C#m A**  
Whenever I fall at your feet  
**E B C#m A**  
And you let your tears rain down on me  
**E B C#m A**  
Whenever I touch your slow turning pain  
**E B**  
The finger of blame has turned up on itself  
**C#m A**  
And I'm more than willing to offer myself  
**E B**  
Do you want my presence or need my help  
**C#m A**  
Who knows where that might lead

**E B C#m A**  
Nothi.....ng  
**E B C#m A**  
Nothi.....ng  
**E B C#m A**  
Nothi.....ng

**A E**  
Whenever i fall  
**B C#m**  
Whenever i fall  
**A E**  
Whenever i fall  
**B C#m**  
Whenever i fall

Then the last bit goes - C#m C#m C#m C#m C#m A....let A ring in a really jerry way. Listen to the song to see exactly what i mean.
