But I don t know how  
**D**  
If only I knew

It s written all over your face  
**Em**  
Such a painful thing to waste

Tell me now where do we go?  
**G**  
Now the future s not so clear  
**Em**  
I can t believe we ve ended here

**G Em**  
I m sorry  
**Em C D**  
If I slagged you down, I meant no harm

When I heard the stories

Said things I didn t mean  
**G D**  
Should have stayed calm

**Em**  
But sadly

You got angry

And it breaks my heart

You re so mad at me

It s written all over your face  
**Em**  
Such a painful thing to waste

Now the future s not so clear  
**Em**  
I can t believe we ve ended here

Maybe I could meet you there
