What s wrong with the world, mama  
People livin like they ain t got no mamas  
I think the whole world s addicted to the drama  
Only attracted to the things that ll bring you trauma  
Overseas, yeah, we tryin to stop terrorism  
But we still got terrorists here livin  
In the USA, the big CIA  
The Bloods and the Crips and the KKK  
But if you only have love for your own race  
Then you only leave space to discriminate  
And to discriminate only generates hate  
And when you hate then you re bound to get irate, yeah  
Badness is what you demonstrate  
And that s exactly how anger works and operates  
But you gotta have love just to set it straight  
Take control of your mind, meditate  
Let your soul gravitate to the love
