intro: **E5**, **B5**, **A5** 4X

repeat intro throughout verses:

Hey little party girl

Where do you wanna go

I didn t come from your scene

So many people that I should know

C#m

Like every door guy in this city

B5

Only looks at you cause you re pretty

A5

And the boutique girls and theme night druggies

B5

Take you in the back

A5

(You put your head on the mirror)

E **A5**

And oooh baby keeps it with her now

C#m B5 **A5**

Ooh baby s got a handful of things she calls excuses

B5

Yeah you re real pretty pretty

A5 (hold)

You re pretty strung out for a girl

back to intro for verse:

Maybe there s a gas station open

And a little money on my card

So I can buy some half and half

cause even mornings they seem so hard

C#m

And look at you, you never fell to bed

B5

You re still typing on your phone

with your cigarette

A5

Saying I should stop being so cynical

B5

Cause we re hotter when we don t give a damn

A5

(so smash your head on the mirror)

E

A5

And ooooh baby keeps it with her

C#m B5

ooh baby s got a handful

A5

Of things she calls excuses

B5

Yeah, you re real pretty pretty

A5

You re pretty strung out for a girl
