Song: Ponce de Leon Avenue  
Artist: Butch Walker  
Album: Sycamore Meadows  
Tabbed by: BeeMar

Standard Tuning

**Em** **A**  
I woke up on Sunday morning  
**Em** **A**  
With a shoe that was not mine  
**Em** **A**  
Let the taxi on the corner  
**D** **Dsus4** **D** **Dsus4** **D**  
Drive away

**Em** **A**  
So I walked up Ponce de Leon  
**Em** **A**  
With my lips all caked in wine  
**Em** **A**  
But my night clothes in the day time  
**D**  
Gave me away

**B&#9837;** **F/C**  
And I don t want to remember  
**B&#9837;** **F/C**  
But I don t want to forget  
**B&#9837;** **F/C**  
That no one will believe me  
**A**  
If I say

Chorus

**Bm**  
Honey don t you call now  
**Em**  
Don t pick up the phone now

Don't you know we're better off this way

**Bm**

Trying not to call now

**Em**

See you when I go out

**G**

**A**

We can be in love for just one day

**Em**

**A**

And I came home with her lipstick

**Em**

**A**

And a thousand bites and scars

**Em**

**A**

And a mud stain on my kneecap

**D**

**Dsus4 D Dsus4 D**

To remind

**Em**

**A**

Me of a quick shop stop for salsa

**Em**

**A**

Just to spill it on the floor

**Em**

**A**

Stuck my head inside a freezer

**D**

To rewind

**B&#9837;**

**F/C**

And the Mayor won't believe me

**B&#9837;**

**F/C**

And my drummer thinks I'm high

**B&#9837;**

**F/C**

And I know I should let this one

**A**

Get away

Chorus x2

**Em**

**A**

And with all those tripped out people

**Em**

**A**

At our table by the end of the night

**Em**

**A**

So I met you by the bathroom

To escape

I was so drunk I think I said

I want you inside me now

And we fell into the dumpster

Laughing away

And I don't think I remember

And I try not to forget

But I think that I let this one

Get away

Chorus x2
