And it s open

For distraction

You found all the words you need
D F#m
Well, I found nothing
C Em
I just grumble
C G D
cause I don t know what I feel

Never leave your heart

Alone

D F#m
Run for shelter

An umbrella

Fights the rain but not the wind

And I d be silly
C Em
To start preaching
C G D
cause I don t know which point to make!

D F#7 Bm E
The moral to the story goes
D G
Never leave your heart
D F#7
In a box Locked up

D G

Never leave your heart

D

Alone

Am I frozen?

But it s summer!

Is that rain or is that me?

Yes, I m melting

Please be happy

One day soon

We might just swim

The moral to the story goes

Never leave your heart

In a box

Locked up with cold cold ice

Never leave your heart

Never leave your heart

Never leave your heart alone
