

Table For One
Butterfly Boucher

Bm **Em**
I walk alone around the world
A/F#
Life s bitter sweet
Bm **Em**
I am the girl at a table for one
A/F#
Content, complete
Bm
How many words in a pretty song?
Bm/G
How many ways can a girl go wrong?

Bm
I don t mind the sound of one heart
Em **A/F#**
If the sun is out
Bm
I don t mind the sound at all
Em **A/F#**
Until the night comes round
Bm
And then how many doubts knocking at my door?
Bm/G
How many lives have I lived before?

A **D** **G**
The night, it s the only lonely part, oh
A **D** **G**
Oh, but it s a lonely lonely part, oh

Bm
I wake to find the daylight
Em **A/F#**
Sitting by my side
Bm
I breathe it in and whisper
Em **A/F#**
Everything I hide
Bm
Like how many tears in a long goodbye?
Bm/G
How many times can a girl defy?

A **D** **G**
The night, it s the only lonely part, oh
A **D** **G**

Oh, but it s a lonely lonely part, oh

A **D** **G**

The night, it s the only lonely part, oh

A **D** **G**

Oh, but it s a lonely lonely part, oh

A **D** **G**

The night, it s the only lonely part, oh

A **D** **G**

Oh, but it s a lonely lonely part, oh

A **D** **G**

It s the only lonely part, oh

A **D** **G**

The night, but it s a lonely lonely part, oh

I m pretty sure that this is right. Please email me if you have any queries
