ESP - Buzzcocks

Tabbed by: LeakyFlask
Email:

Tuning: Standard

Let s start off with the main riff:

```
e|--0-0-2-0-2-3-3-2-0-2p0---|
B|-----2-|
G|-----|
D|-----|
A|-----|
E|-----|
```

Alternate fingering:

```
e|-----|
B|--5-5-7-5-7-8-8-7-5-7p5--|
G|-----6-|
D|-----|
A|-----|
E|-----|
```

Just make sure you feel comfortable playing this, if you play lead
it s the only thing you ll be playing for the entire song.

Now for the chords:

Intro and chorus:

A
Do you believe in ESP?

G#
I do and I m trying to get through to you

G **F#**
If you re picking up off me

D **E**

Then you know just what to do - think!

(That chord progression is repeated during all the choruses, well, the only bits with vocals really.)

Verses/Instrumental parts:

A D E

Ending on: C G

The song fades out with the verse progression.

The rhythm guitar part isn't really heard all that well in the mix, but use barre chords and treble distortion. (Gotta love those HH amps!)
