I don t know

If it makes you happy it ll make you weep
A **G**
And if you want some more practical advice
A **G**

If you can t think once then don t think twice

F#

Cos things won t seem so nice ,You ll wish youâ€™re sixteen again

B E

Oh no

Feeling rather strange when you re sixteen again

Things don t seem the same the pastâ€™s so plain

This future is our future this time s not a game

This time you re sixteen again

Always on your own when there s nobody else

Asking myself would I be someone else

But after all life s only death s recompense

I don t know

Things in life are not played for keeps

If it makes you happy it ll make you weep

And if you want some more practical advice

If you can t think once then don t think twice

Cos things won t seem so nice

You ll wish youâ€™re sixteen again

Oh no

[SOLO]

Look at me here I am for your eyes

Mirrored proof of what you recognize

I know I never will feel quite like you

And I know you won t treat me right till I do

But at least we ll know it s true

That we re sixteen again

Oh no

Feeling like I m almost sixteen again

Layin round doing nothing like all my friends

Play it cool don t get angry count up to ten

Just like Iâ€™m sixteen again

Always on your own when there s nobody else

Asking myself would I be someone else

But after all life s only death s recompense

I don t know

Look at me here I am for your eyes

Mirrored proof of love s suicide

I know I never will feel quite like you

And I know you won t treat me right till I do

But at least we ll know it s true ,That we re sixteen again

Oh no

Sixteen again
