

Take a Toke

C+C Music Factory

G		Cm	D7	
Take a toke slow or you might choke				
G		Cm	D7	
I got the best love you ever smoked,				
G		Cm	D7	
take a toke but baby it s no joke				
G		Cm	D7	
So strong it ll make you choke				

REFRÃO

(SEGUE A MÚSICA NESSA MESMA BASE)

Spark up the love you need in me, in me
Roll it up tight lightly
And don t let any fall down
Get rid of the slight debris between you and me
Cause we don t need any bad seeds

Eb7+

Cause all of my life, baby

Dm

I ve been living kind trife, sugar

Cm

No one to guide me through

D

The day dan night without a clue

Eb7+

And I really need someone

Dm

To point me in the right direction

Cm

Swing my way, Parley parley

D

Prove my point that I am the joint

Refrão

(MESMA BASE)

There s no need to try to front on you On you

I d rather be...blunt

This much is true

Slid the room , let s hit the room, baby

No supersonic once you get the taste the chronic

More than you ll ever need

Eb7+

Dm

You ignite me and I ll ignite you

Cm

And once the sheets burn, baby

D

I ve got some more bambu

Eb7+

And when the smoke clears

Dm

Lady, still my eyes focus on you

Cm

Huff-n-puff some of my funk stuff

D

Prove my point that I am joint

Refrão

G

I like it (I like it)

Cm

D7

I love it (i love it)

G

I need it (i need it)

Cm

D7

I want it Got to have it
