This is a good song with the marvellous chords!?! Try it

Intro: **Em G D C**  
**Em G D C**

**Em** **G**  
You know Iâ€™m gonna make a try  
**D**  
I never wanna let it die

But this ainâ€™t right  
**C**  
Donâ€™t justify

**Em** **G**  
You â€™ you`re everything I need  
**D**  
But sometimes we just disagree  
**C**  
And this is my way to proceed

**G** **D**  
Silence cannot breathe on your side  
**G**  
But emptiness is my wound  
**C**  
â€™Cuz Iâ€™m in pain why canâ€™t you see Iâ€™m down  
**Am** **C** **D**  
Being the one just around

Chorus:

**G** **D**  
Iâ€™ll stay away â€™till it`s over  
**C**  
â€™Cuz you need to realize  
**D**  
Itâ€™s time for me to go  
**G** **D**  
Please stay away â€™till it`s over  
**C**  
And I will clear my thoughts again

**D**

Crazy or blind

**G**

I'll stay away 'till it's gone

**Em D C D (2x)**

(the same chord as verse 1)

You're everything I want

The reason why I wrote this song

I'll be back when words are gone

If silence can't survive on your side

Then loneliness is my pride

When I'm in pain why can't you see I'm down

Being the one just around

I'll stay

You have to understand

It's only for a while

You have to understand

This is just my style
