

Yoy Just Wait And See
C21

Tabbed by: Ashutosh J.

this is really awesome song by c21 and it s damn easy

It goes like this.....

=====

G

If I could right those wrongs

D

I did you

C

G

Tell me would it be like this

G

D

Sometimes this is all I think of

C

D

I don t have the strenght to miss

D

This ain t about the words that s fallen

C

Not another way to let go

A

G

You ll know - so tell me

C

Who s gonna take you back again

G

Who s gonna show you every thing

D

Baby

C

G

You just wait and see

C

I m gonna keep the promises

G

I m gonna be the one who say s

A

Baby

C

G

You just wait and see

Verse 2: (same chords as above)

If you fail to show me
Don t stop trying
This is just the way it goes

I know that you ve been hurting
I been trying
This is all I really know

This ain t about the words that s fallen
Just another way to believe
You ll see - so tell me

Who s gonna take you back again
Who s gonna show you every thing
Baby
You just wait and see

I m gonna keep the promises
I m gonna be the one who say s
Baby
You just wait and see

C
Who s gonna take
G
Who s gonna give
D
Who s gonna be the one
C
Who takes the risk
G
Who s gonna leave
D
Who s gonna stay
C
Who s gonna be the one
G
Who finds the way

Who s gonna take you back again
Who s gonna show you every thing
Baby
You just wait and see

I m gonna keep the promises
I m gonna be the one who say s
Baby
You just wait and see

=====
Wasn t that easy???
Keep tryin.....

any suggetions?;
