

**Hangman**

**Cadillac Sky**

Cadillac Sky - Hangman; Chords

It s **Am, Em, F, C, G** through the hole song in verses.

The chorus you play as followed:

**F, C, G**

The bridges and solos are also played as the verses, so **Am, Em, F, C, G**

PS: Since I couldn t find the lyrics to the song, I wasn t able to write down the whole song.

Sorry for that.

I hope I helped though.
