

**G**
**Am**
**G**
**F**  
 Cause they re throwing us lemons and we re squeezing them into our cups.  
**G** (hit once)   **G** ( hit once)   **C**

Woah, and drinking it up.

(chorus 2)

**C** **Am**  
Boy, you got just what I want.  
**F** **G** **Am** **G**  
I m not going a place without your heart, woah.  
**C** **Am**  
And girl, you re my sun shiny day.  
**F** **G** **Am**  
You d take my life away if you ever wanted to go.

(bridge)

**F**  
You re the match to my candle.  
**C**  
You re the scrape to my knee.  
**G** **F**  
And you re what makes it better than better could ever be.  
**G**  
Than better could ever be.

(chorus)

**C** **Am**  
Boy, you got just what I want.  
**F** **G** **Am** **G**  
I m not going a place without your heart, woah.  
**C** **Am**  
And girl, you re my sun shiny day.  
**F** **G** **C**  
You d take my life away if you ever wanted to go.
